AVIATION MUSEUM OF NEW HAMPSHIRE

27 NAVIGATOR ROAD
LONDONDERRY, NH 03053
CONTACT INFO: Jessica Pappathan, jpappathan@nhahs.org

The Museum is centrally located in Londonderry, NH adjacent to the Manchester-Boston Regional Airport and is housed in the restored 1937 art deco building that previously served as one of the airport's air terminals. The newly added 4000 square foot Slusser Aviation Learning Center exhibit hall provides a special venue for your next function.

Our unique setting will have everyone talking about your event!

MUSEUM AND GROUNDS

The Museum location adjacent to an active runway of the Manchester-Boston Regional Airport offers a stunning backdrop for any function. We can also offer open area for a tented event.

EXECUTIVE CONFERENCE ROOM

CAPACITY: 8-10 SEATED

This space can be utilized as a comfortable meeting room with presentation capabilities including remote screen, white board and internet access.

VINCENT A. DEVINO CLASSROOM

CAPACITY: 25-50 SEATED, 50+ STANDING

This space is ideal for seminars, lectures or as an area for hosting smaller cocktail functions or office parties. The classroom is equipped with a projector, interactive screen and sound system.

SLUSSER AVIATION LEARNING CENTER

CAPACITY: 120 SEATED, 150 STANDING

Our grand exhibit hall is perfect for large cocktail parties ... anniversaries, weddings, receptions, small galas and larger speaker series or presentations. The Learning Center can also be the focal point for use of the entire museum space.
SERVICE & DETAILS

PRICE: All fees are dependent wholly on type, duration and date of the function, as well as the space and equipment that is required. NHAHS members and non-profit organizations receive a discount on all event rentals. For specific pricing information and to discuss a potential event please contact the NHAHS event coordinator 603-669-4877.

CATERING: Our exclusive caterer:

Tidewater Catering Group

Tidewater Catering is an award-winning, full service off-premise catering company comprised of a team of catering and culinary professionals who will work with you to plan the menu, offer assistance with every aspect of the planning, review the logistics and ensure that every detail of the function is perfectly executed according to your wishes. The museum kitchen provides microwave, refrigerator, sink and dishwasher, as well as preparation space.
